

## Week In Review

**August 08, 2022**

---

### ***August is National Immunization Awareness Month!***

National Immunization Awareness Month (NIAM) is an annual observance held in August to highlight the importance of vaccination for people of all ages. Use these resources to assist you in communicating about vaccinations during August and throughout the year.

- COVID-19 resources ([click](#))
- Encourage routine childhood vaccinations ([click](#))
- Make effective vaccination recommendations ([click](#))
- Toolkit for healthcare providers ([click](#))

---

### ***Quarterly Meeting - August 11, 2022***

The ICD will hold its August Quarterly Meeting on **Thursday, August 11, 2022** from 10:30 am - 12:00 pm online.

Topics of discussion will include:

- Standing Agenda Items (flu update, school health, emerging infectious disease)
- COVID-19 update
- Monkeypox update
- RSV Burden of Disease & Treatment Options (Sanofi)
- Hepatitis B recommendations and series completion comparison (Dynavax)

Please [email Dr. Smith](#) if you would like more information about this meeting.

---

### ***Updates***
