For Our Members

Shot in the Arm

The Immunization Coalition of Delaware is pleased to offer this opportunity to view “**SHOT IN THE ARM**” – from Academy Award-Nominated filmmaker Scott Hamilton Kennedy and Executive Producer Neil deGrasse Tyson.

This skeptical and hopeful film explores vaccine hesitancy historically and in the context of our modern pandemic. Can we replace cynicism with healthy curiosity and bridge the political divides that make us sick?

Featuring: Tony Fauci, Paul Offit, and Robert Kennedy, Jr.

This film is being offered free of charge for Immunization Coalition of Delaware Members throughout 2026. Please register below to receive login credentials.
